ABOUT OUR **BUSINESS**

We are a branding and media solutions company based in Randpark Ridge that specialises in Graphic Design, Motion Graphics, Videography, Editing and Consulting. Registered in May 2018 after the founder Dumisani Ncube's passion to help clients see the potential of what they could be. To date we have had a wide array of clients who have come in for different services, others needing corporate branding, monthly posters for their events and so forth.

If it's branding you need, we are the ones to contact. We take great pleasure in helping you put together a strong identity that will make your brand stand a cut above the rest. Your identity is our pride.

WHAT MAKES US *Different*

We strive to break the barrier of bad business ethics by providing good service, quality products and well researched solutions. We believe in innovation and inspire change to every one of our clients. We pride ourselves in our ability to advice our clients with solutions best suited for them.

Our integrity is important to us therefore should a client be insistent on wanting something, that goes against our ethics, we don't mind parting ways.

OUR PROMISE TO *You...*

Good quality service at a reasonable price to accommodate small and medium enterprises, local associations both in private and public through extensive research on your brand to provide you with well placed solutions.

OUR VISION:

To be the leaders in branding solutions where our clients will enjoy strong and sustainable presence.

OUR MISSION:

By providing innovative solutions based on personalised, intensive case studies that will bring transformation through good service, quality, motivation and integrity to meet all our client's growth needs.

OUR *Values*

Good business ethics are a big part of our service to you. We need you to know that you and your business matter to us. We will go the extra mile to give you great results at all times and this is our promise to you.

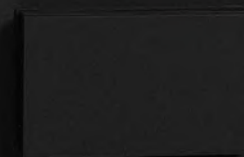

We pride ourselves in the following:

- Integrity
- Innovation
- Hard work
- Respect
- Communication
- Punctuality
- Professionalism
- Planning
- Quality

SOME OF OUR CLIENTS

ABOUT FOUNDER.

Dumisani Ncube is a creative director, graphic designer and editor. He is a team player who maintains a positive attitude, a hard worker who believes in change and innovation. This is the very reason that drove him to register Bolt Works Media in 2018 after having worked with clients at his own capacity since 2014. His high energy skills enable him to size up problems quickly, think on his feet and resolve them within the shortest turn-around time possible.

He has worked at Gateway International Church, Phenomenal Media and has trained under Bonggoe Productions. He has worked on productions such as Yim Lo, a few movies, Uthando Nenkanuko and Indlalifa where some of his duties spanned from graphic designing, shooting, photography and editing. His passion, drive and commitment to learning and hard work makes him a great candidate to work with. His insistence on good ethics has rubbed off into Bolt Works Media where he displays professionalism at all times.
